LIVE UNITED

United Way
of Cumberland County

*United Way of Cumberland County salutes
our leadership givers for their personal
investment in the future of our community.*

THANK YOU
FOR YOUR THOUGHTFUL COMMITMENT

Last year, thousands of lives in Cumberland County were touched by your leadership gift. We couldn't tackle some of the most challenging issues for our neighbors, families and friends without your support.

Thank you for your willingness to invest in our community. Your choice to give creates opportunities for community members to focus on the building blocks of a good life - a quality education that leads to a stable job, enough income to support a family through retirement and lifelong health.

Today, thousands of people can make their dream of a healthy, stable and meaningful life a reality. Thank you for choosing to LIVE UNITED.

As Marquis Society members write new pages in our philanthropic history, the United Way of Cumberland County has proven historical leadership in mobilizing resources for over 75 years.

Our local United Way began on April 13, 1939, when representatives of seven agencies met to lay the foundation for a Community Chest in Fayetteville. They were motivated by a "spontaneous demand on the part of the citizens for an organization to combine drives for all worthy purposes in one big campaign," according to a news report in The Fayetteville Observer.

The spirit that initiated that beginning still lives and thrives in the organization that now raises nearly \$2M annually for local health and human services in Cumberland County.
